

# AEOLIAN VOCALION

Take a record from Tristan and Isolde. Play it some evening for your music-loving friends.

With the first notes of the orchestra you will notice a new tone to the music. You are hearing real music for the first time from a phonograph.

Stand at the far end of the room and see how each note of the intricate melody reaches you perfectly.

Step up and take the Graduoal in your hand. Soften the tone a little—a simple move of your hand will do it. Then increase the tone until it brings out the full force of those magnificent high notes.

That's what we mean when we say you can play the Aeolian-Vocalion. This is a pleasure that you have never had with the old mechanical, unchangeable phonograph.

But you can never appreciate how beautiful the Aeolian-Vocalion sounds until you actually hear it. A half hour's demonstration will be a revelation to you. Come in and let us play for you your favorite selections. You can play the instrument yourself if you wish. No obligation will be incurred by a visit.

## BANISH SCROFULA

Hood's Sarsaparilla Cleanses the Blood, Skin Troubles Vanish.

Scrofula eruptions on the face and body are both annoying and disfiguring. Many a complexion would be perfect if they were not present.

This disease shows itself in other ways, as bunces in the neck, inflamed eyelids, sore ears, wasting of the muscles, a form of dyspepsia and general debility.

Ask your druggist for Hood's Sarsaparilla. This great medicine completely eradicates scrofula. It purifies and enriches the blood, removes humors, and builds up the whole system. It embodies the careful training, experience, and skill of Mr. Hood, a pharmacist for fifty years, in its quality and power to cure.

Scrofula is either inherited or acquired, better be sure you are quite free from it. Get Hood's Sarsaparilla and begin taking it today.—Advertisement.

## A WONDERFUL LOT OF GOOD IS HOW HE PUTS IT

H. H. Duncan, of Stealey Heights, Speaks in Those Terms of Nerv-Worth Benefits.

Over and over grateful Nerv-Worth users employ this strong and eloquent word in speaking of that greatest of all family Nerv-Tonics. When you read the following you'll understand why it was employed in this case:

Burke's Drug Store:—  
I have ulcerated bowels, what the doctors called it, and stomach trouble and could not eat.

I have doctored with several good doctors. I have taken different kinds of medicine.

I felt like taking anything that I thought would do me good, but those medicines were only temporary relief.

But now I have taken two bottles of Nerv-Worth and I feel like a different man.

And I have confidence in Nerv-Worth. It has done me a wonderful lot of good.

Yours truly,  
H. H. DUNCAN.

Stealey Heights, 132 Grove Ave. Nerv-Worth overcomes all ailments of nervous origin—indigestion, heart flutter, bowel trouble, nervousness, dizziness, sleeplessness, sick and nervous headache, weakness, weariness, those "draggy" feelings and rundown conditions in general.

Your dollar back at Burke's, if Nerv-Worth does not do this for you.—Advertisement.

## INFLUENCE OF WOMEN

"Women are a wonderful influence in the lives of most great men," says the Washington Post, and upon women rests the responsibility for family health. To her they look for help in times of sickness, and the attention of every wife and mother in this vicinity is called to the rare combination of the three oldest tonics known, which Druggists Stone & Mercer guarantee is Vinol—Iron for the blood, beef peptone for strength, the body-building, medical properties of cod livers. It will pay over-worked weak, run-down people, delicate children and feeble old people to try it.—Advertisement.

### TO ADJUST PRICES.

LONDON, May 10.—Because of the restriction on the import of cotton and woolen goods and the tremendous increase recently in the cost of freight from the United States, importers here of American textiles are planning to adjust prices to retailers on the cost when the goods arrive here. The rates, wholesalers say, have advanced nearly 200 per cent on shipments from America since the outbreak of the war.
